

2020 CIRCUS GRADUATES!

1. Create a FREE **CircusTalk profile page** or update your existing one. Make sure you fill out all sections, including contact email, describing your circus experience/discipline, and professional photos/videos.
2. Create an **Act page** on CircusTalk. It's OK if you do not have a final video of your graduate act. You can add recent performance video, or even a skill video. A performance montage is an option as well.
3. Send your profile link to our [Editorial Team](#) and we will feature you in our Graduates of 2020 newsletter. Add to the subject: **2020 Graduate - Your Name**
4. Don't forget to share this opportunity with your graduating friends.

Bonus

If you have a **graduation act or graduation montage video** you'd like to see featured on CircusTalk News, email the YouTube or Vimeo link and a short bio to the [Editorial Team](#).

Until April 30th you can sign up for a **two month FREE PRO membership** and have access to job listings, residencies and grants.
